### **Congressman Clyburn & NACA Partner to Help Homeowners Pre-Registration Open for the *Save the Dream Tour* March 13-15<sup>th</sup>**

(Columbia, SC) -- Sixth District Congressman and House Majority Whip James E. Clyburn is encouraging troubled homeowners to begin pre-registering for the *Save the Dream Tour* scheduled for March 13-15<sup>th</sup> at the Carolina Coliseum in Columbia, South Carolina. For this event, Congressman Clyburn is partnering with the Neighborhood Assistance Corporation of America (NACA) to help homeowners struggling to pay their mortgage restructure their loans. NACA will have hundreds of counselors on hand to provide the best solutions for the thousands of homeowners expected to turn out for this event. Many will receive their solutions the same day.

**To register for this free event, please visit the NACA website at [www.naca.com](http://www.naca.com) or call NACA toll free at 1-888-302-NACA (6222).**

“I ask all homeowners who are struggling to pay their mortgages to pre-register for this event,” Congressman Clyburn said. “We know there is a tremendous need for mortgage restructuring in South Carolina. We want to help as many homeowners as possible stay in their homes and their early registration will help provide adequate counselors to meet the demand.”

NACA has the most effective long-term mortgage solution for at-risk homeowners because it permanently reduces the interest rate to as low as 3% and if necessary reduces the outstanding principal based on what the homeowner can afford. NACA’s restructure solution has established the national standard for long-term solutions for thousands of owner-occupant homeowners. NACA can do this because it has secured legally binding agreements with most of the major lenders and investors which covers 90% of the at-risk homeowners.

This event is open to homeowners in financial difficulty who own only one property and occupy that home. They will need to bring their mortgage statements and their most recent 30 days of pay stubs to event.
