It can be hard to park in downtown Minneapolis. It may be easier to use busses or the light rail. Both go near our offices. If you want to take the bus or light rail call Metro Transit at 612-373-3333 or visit then online at <http://www.metrotransit.org/> if you do not know the route you need.

If you want to drive, there are many parking ramps and parking lots near our office.

**Please be careful!! There is important information about parking that you should know.**

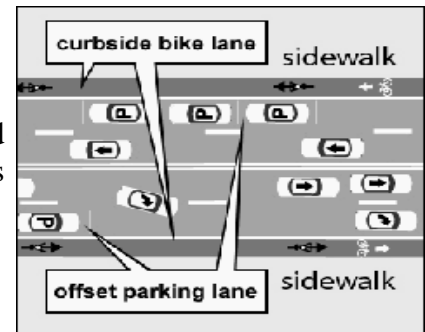

## Parking Meters

There are parking meters on 1<sup>st</sup> Avenue. The parking spaces are marked by white lines. Meters only take quarters or dollar coins. Read the instructions on the meter to see how much it costs and when you can park there. You can park at the meters on 1<sup>st</sup> Avenue for 2 hours.

You CANNOT park at these meters from 7am-9am and from 4pm-6pm Monday through Friday. Be careful, fines are very expensive.

## Bicycle Lane

There is a bicycle lane on 1<sup>st</sup> Avenue next to the curb. It is marked by a solid white line. DO NOT park in this lane. You will be towed if you do. You can park in the lane outside of the bicycle lane. It is between the bicycle lane and the street traffic. But park carefully. If your tires touch the white lines of the bicycle lane you will be towed.

## Twins Games

1<sup>st</sup> Avenue may be closed 1 hour before and 1 hour after Twin's games. Call 311 or (612) 673-3000 to find out if there is a game scheduled on the when you are coming to our office. Parking costs more when there is a Twin's game.

You can drive and park outside of downtown then take the bus or light rail to our office instead of paying extra money.

For more information about parking, call the city of Minneapolis at 311 or at (612) 673-3000
