

**WARNING: This form waives all of your legal rights in this case. DO NOT sign it if you want to know what will be ordered in your case. You can waive service of process, but keep your legal rights by filing an Answer, instead.**

**4. Global Waiver**

I agree that the court can make decisions in this case without further notice to me.

**5. The Respondent's swears under oath:**

"My spouse gave me this form and a filed copy of the Petition to Annul Marriage with the same case number as the case number on this form. I have read the Petition to Annul Marriage and understand what it says. I do not want a peace officer or process server to give me another copy of the Petition for Annulment. I waive my rights to the issuance and service of process in this case.

"I understand that signing this form is a substitute for going to court and telling the Court my side of the case. I do not want testimony in this case recorded. And, I agree that a Judge, Associate Judge, or appointed Referee of this Court may make decisions about my case, even if the annulment should have been filed in another county or state.

"I give up all rights, privileges, and exemptions I may have under the Soldier's and Sailor's Civil Relief Act of 1940, including having a lawyer appointed to represent me in this case."
